MOTRA DHE VELLEZER SHQIPETARE !

Mbi te gjitha Enveri e Mehmeti po mundohen t'i bejne varrin njeri tjetrit! Nuk mund te ish ndryshe: ne garen per te zhdukur njeri tjetrit majmunet imitacione ustallaret e Kremlinit. Zati kete dine te bejne kete te shitur: te imitojnë e t'i binden Moskes. Virini re: edhe ne ndryshim e t'jeverishim bënë se beri e si i urdheroi Moska.

Ky eshte satati i kuislingeve: dorezim te humit repre, peqe e asgie me. Edhe kjo, si te parat, nuk eshte qeverri i mbarbire, por qeverri kuislinge, qe punon e leet. M. Jenkovit.

Mbas Kremlini që nuk i ka përgjigje sotme të xalimentuan dha një bënë të shkurtër. Në këtë kohë, nekalancët se partise, urdheroi satrash, që i kishin këtë natur per t'u gjenjyer e aferuan masat.

Pranaj qeverrija ketu per t' ngritur aksionet partise saj gjakut, q' te mekembur politiken e saj te falimentuar. Dhe pavarësi i Shqipëri, politika sovjetike falime toj kundërshtuar.

Ju me shume i kushtetura e komunizmit gjeneve e shpuri komunizma Shqiperine. Ju jini te rrehdje ta qykonite politike tradhetaresh e s'urreni xhelatet e uaj. Punet deftare se politika komuniste e rrehejti dhe e ydiq ne popullin shqiptar.

Motra Dhe Vellezer Shqipetare

Gjendja tragjike e popujvet te shtypur nga kriminelet bolshevik, e detyroi Mosken t'urdheroje te behen "gjoja" disa reforma administrative!

E cilat qene valle "reformat" qe trumbetoi me kaqe zhurme propaganda komuniste!!

Enver Hoxha dhe Mehmet Shehu hoqen dore "bujarisht" nga disa prej kultuqevet te shumet qe kishin zene.

Kufoma e gjalle, surratmajmuni Dr. Omer Nishani, qe mbante titullin "kryetar i Presidiumit" u hodh atje ku hidhen gjithe plehurat dhe tani Nishanit nuk i duket me as vula as nishani!

"Kemi pakesuar numurin e ministrivet" — plasen se thirruri tellallet e rregjimit. Edhe kjo eshte nje tjeter genjeshter! Numuri i ministrivet mundet te jete pakesuar, por numuri i ministravet eshte shtuar. Me pare kishim me tre kultuqe nje Enver, kurse tani kemi edhe nje Beqir Balluk e nje Behar Shtylle. Prandaj, atje ku kishim nje, sot kemi tre "kapedane"; kishim nje hajdut, nje kriminel, tani kemi tre hajdute, tre kriminele, tre "ministra" me nder me thene.

Ne vend te nje krimbi te ngordhur, sic ishte mumja e Presidiumit, sot kemi nje ujk qe nuk ngopet me gjak e me mall shqipetari. Haxhi Lleshi eshte bir'i denje i shtepise tradhetare te Halit dhe Aqif Lleshit. Dikur bandat tradhetare te Halit Lleshit deshen te pushtonin Tiranen dhe te permbysnin qeverrine e dalur nga Kongresi i shnjte i Lushnjes. Sot Haxhi Lleshi ze vendin me te larte ne qeverrine tradhetare t'Enver Hoxhes. Edhe tradhetija ne regjimin komunist duhet te kete traditat e saj per t'u qmuar e per nderuar! Bollshevizma nuk t'a ha haken!

THE STRUGGLE BETWEEN HOXA AND SHEHU

Sister and Brother Albanians!

Above all, Tito and Hoxha are trying to do, each others' work. It could not be different; in the competition to destroy one another the henchmen imitate their Kremlin masters. This the henchlings know how to do; to imitate and obey Moscow. And notice even in changes in the government they obey Moscow's orders.

This is the trade of the quislings: to hand over everything to the foreigners. And this is not a national government but a quisling government which works for the interests of Malenkov. After the Kremlin saw that the Soviet economic system failed and became the cause of the hatred of the people and the decadence of the party they ordered the satellites to ease up in order to placate and deceive the masses.

That is why today's government eases up here and there in order to energize the party of blood and hunger and to put its failed policy on its feet again. And exactly as in Albania, Soviet policy has failed everywhere.

You, better than anyone else see where Communism has taken Albania. You are in a situation to judge this traitorous policy and to hate its henchlings. The way things are going it is evident that the Communist policy has enslaved and worked the Albanian people to death.

Sisters and Brothers!

You know better than anyone else that the deceitful reforms do not do away with hunger, do not cure your ills, do not keep you shod; do not do away with the fear of the spurs of the regime, do not break open the doors of the prisons and death camps, do not break the chains of slavery.

These chains will be broken by your resistance and struggle.

Sister and Brother Albanians!

The tragic situation of the peoples oppressed by the Bolsheviks forced Moscow to order several so-called administrative reforms!

What then were the "reforms" which is announced with such propagandistic incise!

Enver and Helmut "generously" withdrew from several of the many offices which they were holding.

The living corpse, monkey face Doctor Enver Nishani, who held the title of the President of the Presidium was thrown where all rubbish is thrown, and now Nishani no longer appears as a "nishan" (rubber stamp).

"We have reduced the number of ministries." - is what the serviles of the regime have cried out until they are hoarse. But this is another lie! The number of ministries may have been reduced but the number of administrators has been increased. Previously Enver Hoxha had three offices whereas now we have in addition, Rqir ielluku and Behar Shyilla. Consequently, where we had one, now we have three big shots; we had one robber, one criminal, now we have three robbers, three criminals, "three ministers."

In place of one dead worm like the rump of a President, today we have one scold who is not satiated with the blood and goods of the Albanian people. Naxhi Lleshi is the son of the traitorous Ferit, Halit and Arif Lleshit. At one time, the traitorous bands of Halit Lleshit wanted to rule Tirana and to overthrow the government appointed by the Congress of Lushnja. Today, Naxhi Lleshi takes his high position in the traitorous government of Enver Hoxha. For, after all, betrayal in the Communist regime must have traditions in order to be valued and honored. Bolsheviks takes into account qualifications for a job.
